Cable Beach is the last destination on the East Lake Siskiyou tour. Crossing Box Canyon Dam a short distance from Castle Lake Rd to the right is the parking lot for Cable Beach. A handicap accessible ramp takes adventurers down to the beach where you will be able to see beautiful views of Mt Shasta overlooking Lake Siskiyou. On a wind and cloud-free day, you will get the iconic image of Mt Shasta's reflection draped over the lake. There is a beautiful trail that loops around the lakeshore back up to the main trail and back to the Cable Beach parking lot.
